

A photograph of a rustic stone building. The building has a weathered appearance with a mix of light-colored stone and plaster. A wooden door with a horizontal bar across it is the central focus. Above the door is a window with a fixed-bar grille. The text "Ready for a new fixed-bar grille?" is overlaid in red on the image.

**Ready for a new
fixed-bar grille?**

Try ours.

Uncompromising steel or aluminum construction. Attractively designed. Competitively priced. For commercial or high-end residential use. Dozens of in-stock sizes, plus T-bar models. And 100% Made in the U.S.A.
